Re: Application for 2024- 2025 PALC Scholarship Award

Enclosed please find an *information sheet and application* for the annual scholarship offered by The Public Affairs Luncheon Club (“PALC”). We are confident that many qualified students populate your school(s). *Please distribute* the attached application forms to your member schools and to your qualifying and interested students. The deadline for applications is March 31, 2025. The application and documents may be submitted any time after receipt of the attached; with the senior year first semester grades submitted as a supplement once received. All documents, including grades, must be submitted by March 31, 2025. The winner(s) will be notified early May 2025 before our annual May 19th, 2025 luncheon (to which they will be invited with their family).

PALC, originally formed in 1932 as a non-profit organization under IRS 501(c)(3) and non-partisan organization, encourages its members to take a thoughtful, informed and active interest in governmental affairs and functions. During the school year, we hold seven luncheons with eminent and outstanding professional and business authorities speaking on subjects of current importance and interest.

This will be our twenty-six year to offer an annual scholarship to a graduating Dallas area high school senior who has achieved high standards of scholarship coupled with an interest in public affairs and participation in community leadership. It is not need based. This year we are offering one \$5000 scholarship.

If you have any questions, do not hesitate to contact us. We look forward to reading your students’ applications.

With best regards,

Tina Peterson, President PALC
